Event Agenda

Saturday, August 29, 2020 at 8:30am PT - 11:30am PT

i All times listed in Pacific Time (US & Canada).

Saturday, August 29, 2020

8:30am - 9:30am

Testing Programs and Protocols –Employers, Workers and Public Health

Robert Harrison, MD, MPH

1.0 CE Credit

Objectives:

Understand the role of COVID testing in workplace monitoring for infection

Describe the role of the OH professional and the employer in COVID outbreaks in the workplace

Appreciate the challenges of a workplace COVID program development and implementation in the context of a pandemic

9:30am - 10:30am

COVID-19 and Return to Work Guidance

Barbara Burgel, RN, NP, PhD, COHN-S

1.0 CE Credit

Objectives:

Review CDC recommendations for return-to-work for those with confirmed or probable COVID.

Discuss return-to-work for those testing negative, who have persistent or recurrent symptoms.

Share best practices re: return to work guidance for health care settings.

10:30am - 11:30am

Covid the Good the Bad and the Ugly

Edward Ochi CIH, CSP

1.0 CE Credit

Objectives:

Remind Occupational Health Nurses with clinical responsibilities with how changes to equipment and supplies because of COVID-19 shortages may result in increases to occupational illnesses and injuries such as dermatitis.

Provide Occupational Health Nurses with some adaptation strategies to help workers who are experiencing problems from equipment and supplies.

Familiarize Occupational Health Nurses with some of the more recognized “problem” equipment and supplies.

11:30am - 11:45am

Virtual meet and greet

After the presentations please feel free to spend additional time to socialize with colleagues (via zoom).
